

# FORMATION JAVASCRIPT

A dark-themed background illustration. In the center, a person wearing a headset is shown from the chest up, facing forward. Below them, there are two rectangular screens. The left screen displays a dark silhouette of a person's head and shoulders. The right screen displays a dark silhouette of a person's head and shoulders, with a small, light-colored rectangular area at the bottom, possibly representing a video feed or a specific interface element. To the right of the central figure, there is a speech bubble icon with two horizontal lines inside, indicating communication or a message.
